RESTORED TO A HIGH STANDARD ,LOVELY LOOKING
SOUNDS FANTASTIC ,The builders fitted Triumph engines
into Norton frames, and the aim was to combine the best
elements of each marque and thus gain a bike superior to
either. Many Tritons were configured as single-seater café
racers. The name 'Triton' is a contraction of Triumph and
Norton; and 'Triton' was the name of a mythological Greek
God. If you would like to hear it running go to edwin
